**Subject:** Information needed to expedite OECA review of your order Ex. 5 Deliberative Process (DP)

Hi

Can you please provide me with the following information (non-CBI) to help expedite OECA's review of your order?

1. The urgency/priority of the review ('hair on fire', on the priority list this month, normal, etc.):
2. The category of the Order (an Order can fit multiple categories, please include all that apply). Categories include:
  - a. What type of order is this?
  - b. Is this a consent order modification (yes/no)?
  - c. Is there upfront testing (yes/no)?
  - d. Does it use the standard boilerplate (yes/no)?
  - e. Are there deviations from the boilerplate? (if there are changes to the boilerplate language or addition of a section/appendix, list the sections that have changed, for example: changes to the definitions, distribution section, etc.)
  - f. Are there environmental release restrictions (water releases, air releases, enclosed process, etc.)?
  - g. Is this a PFAS, PBT chemical or other chemical of concern?

Please let me know if you have any questions.

Thank you!
